

City of Los Angeles Office of the City Clerk Neighborhood Council Funding Program

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a *public benefit* and purpose, **open**, *accessible*, and *free of charge* to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs (<u>click here</u>) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A "Project Completion Report" template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Seeds of Morning Glory, a non-profit organization founded in 2018 to address food insecurity, is seeking grant funding to purchase safety-net essential items for unhoused individuals and their families residing in South Los Angeles. These vital items include but are not limited to: hygiene kit materials, blankets and warm clothing (jackets). Additionally, outreach staff will provide education and linkages to community resources including public health, mental health, local shelters and medical services. Our intent and purpose of the proposed grant request is to address the immense social support service needs in the Voices Neighborhood Council region. The goal is to leverage our existing bi-weekly emergency food distribution services, to provide supplemental hygiene kit supplies.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

Seeds of Morning Glory is seeking grant funding to purchase safety-net essential items including but not limited to: hygiene kit materials, blankets and warm clothing (jackets) for the public residing in the City of Los Angeles particularly in the Voices Neighborhood Council region. All services and program materials will be free of charge. The proposed grant will substantially support and serve the public at-large, particularly unhoused individuals and their families residing in the region as many of these individuals do not have adequate resources to survive. These essential items will significantly benefit and improve the quality of life for recipients. To further strengthen our efforts, we will partner with local food banks as well as local nonprofit, God Silent Hands, to provide non-perishable food items and hot meals. Additionally, we will collaborate with Painted Brain to have FEMA Crisis Counselors on site to provide mental health support and referrals to crisis services. As the winter months approach, it is imperative that our local government agencies partner with community- based organizations, such as Seeds of Morning, to address the significant gaps in homeless services.
